INDEX TO VOLUME 15

PAGE

Adamantinoma, pituitary; 3 cases..... 829
Allen, E. V.: Changes in blood following operation 254
Alvarez, W. C.: Varying degrees of anemia produced by carcinoma in different parts of colon..... 402
Anemia, varying degrees of, produced by carcinoma in different parts of colon.. 402
Anesthesia, local, in operations on infections 747
Appendix, abscess, appendiceal, rupture of. 825
appendicitis, during pregnancy..... 730
Arteriosclerosis, of extremities, bone in... 542
Arthritis, hypertrophic, of spine; in patients more than 50 years old..... 118
Ascites, portal cirrhosis with; surgical treatment; 26 cases..... 418
Atelectasis: See Lung

Bacillus pyocyaneus, effect of mercurochrome-220 soluble on growth of..... 958
Bacteria, pneumocephalus of bacterial origin 913
Bacteriemia, clinical grouping of infections according to extent of..... 737
Badgley, C. E.: Coalition of calcaneus and navicular 75
Barker, H. B.: Injection of absolute alcohol in treatment of hyperthyroidism.. 918
Bile, influence of liver on toxicity of.... 57
relationship of chronic subdural hematoma and pachymeningitis hemorrhagica interna; 8 cases with bile pigment in hematoma..... 45
Biliary Tract, disease, relation of nitrogen bodies of blood to surgical problems in. 635
urinary tract and, analogies between... 962
Bladder, calculi, diagnosis of..... 316
cancer, radium and roentgen-ray treatment of..... 312
cancer, surgical treatment of..... 313
diverticula, diagnosis of..... 316
exstrophy 828
exstrophy, operation in..... 305
herpes of..... 308
infections 307
injuries 304
malakoplakia of 827
nerve control..... 823
sarcoma 826
tumors 301
tumors, diagnosis of..... 316
urinary, appendiceal rupture into..... 826
urinary, carcinoma 827
Blalock, A.: Mechanism and treatment of experimental shock; shock following hemorrhage 762
Blood, changes, following operation..... 254
circulation, venous, foreign bodies in.... 712
cultures, negative, in infections..... 740
sugar, postoperative hypoglycemia..... 397
Bone, changes, in arteriosclerotic extremities 542
coalition of calcaneus and navicular.... 75
growth of long bones; experimental observations 215
Boyd, D.: Postoperative hypoglycemia... 397
Brain, relation of chronic subdural hematoma and pachymeningitis hemorrhagica interna; 8 cases with bile pigment in hematoma 45
tumors, bladder disturbances due to.... 824
Brougher, J. C.: Changes in chemistry of contents of stomach following gastric operations 749
Brown, G. E.: Postoperative phlebitis; clinical study..... 245

PAGE

Brown, L. T.: Thirty-third report of progress in orthopedic surgery..... 478
Brown, R.: Invagination ileus in polyposis of small intestine..... 441
Bucholz, H. C.: Thirty-third report of progress in orthopedic surgery..... 478
Bull, D. C.: Human factors in clinic management: study made in surgical and fracture clinics of outpatient department of Presbyterian Hospital... 443
Burns, cutaneous, plasma proteins in..... 265

Caffeine, experimental use in shock....779, 787
calcification, deposition of calcium salts in areas of..... 89
Caldbick, S. L.: Dermoid cyst of mediastinum 660
Callus internal; experimental study..... 936
Cancer, in different parts of colon; varying degrees of anemia produced by..... 402
Cerebrospinal Fluid, normal variations in rate of formation..... 943
Chyluria, apparent, in malingerer..... 962
Circulation, effects of hemorrhage on..... 766
Clinic Management, human factors in: study made in surgical and fracture clinics of outpatient department of Presbyterian Hospital..... 443
Coller, F. A.: Injection of absolute alcohol in treatment of hyperthyroidism.. 918
Colp, R.: Relation of nitrogen bodies of blood to surgical problems in liver and in biliary tract disease; status of nitrogen bodies of blood in severe cases of biliary tract disease and its use in differentiating terminal hepatic and terminal renal group of cases..... 635
Cone, S. M.: Bone in arteriosclerotic extremities 542
Counseller, V. S.: Bilaterality of liver.. 589
Crane, J. F.: Operations of necessity during pregnancy..... 729
Cranium, pneumocephalus of bacterial origin 913
Cullen, T. S.: Acute and chronic pancreatitis; clinical observations..... 1
Cyst, dermoid, of mediastinum..... 660
of semilunar cartilages of knee..... 677

Dandy, W. E.: Glossopharyngeal neuralgia (tic douloureux); its diagnosis and treatment 198
Pneumocephalus of bacterial origin..... 913
Danforth, M. S.: Thirty-third report of progress in orthopedic surgery..... 478
Davidson, E. C.: Influence of liver on toxicity of bile..... 57
Plasma proteins in cutaneous burns..... 265
Digitalis, experimental use in shock..... 775
Duskes, E.: Extrarenal venous circulation in case of congenital polycystic kidneys; unusual varicocele communicating between splenic and renal veins.. 580
Dystocia, abdominal distention as cause of. 962

Eagleton, W. P.: Carotid venous plexus as path of infection in thrombophlebitis of cavernous sinus; its relation to retropharyngeal and sphenoidal suppuration 275
Ely, L. W.: Internal callus; experimental study 936
Embolism, postoperative pulmonary, fatal, relation of obesity to..... 237
pulmonary, fatal; statistical review..... 231
Emerson, W. C.: Influence of liver on toxicity of bile..... 57

PAGE

Enterostomy, status of, in treatment of acute ileus; statistical inquiry..... 288
Ephedrine, experimental use in shock..... 781
Epididymitis, complication of prostatectomy 300
Epinephrine hydrochloride, experimental use in shock..... 779
Ether, experimental use in shock..... 777

Farr, C. E.: Suprarenal hemorrhage; case 627
Fibroma, ossifying, of jaw..... 30
Fingers, isolated giant cell xanthomatic tumors of..... 499
Fistula, vesico-ovarian..... 306
Flat-Foot, coalition of calcaneus and navicular as cause of..... 75
Foot: See Flat-Foot
Foreign Bodies, in venous circulation..... 712
Foshay, L.: Postoperative hypoglycemia.. 397
Foulds, G. S.: Review of urologic surgery 129, 298, 799, 962
Fractures, internal callus; experimental study 936
Friedenwald, J.: Acute and chronic pancreatitis; clinical observations..... 1

Gallagher, W. J.: Acute traumatic ulcers of small intestine; observations on effects of application of clamps on gastro-intestinal tract; experimental study 689
Gallbladder, disease during pregnancy.731, 732
effect of pregnancy on emptying of..... 552
hypernephroma of..... 148
Gangrene, spontaneous, of extremities..... 613
Garvin, J. D.: Hypertrophic arthritis of spine; incidence and nature in patients more than 50 years old..... 118
Gastro-Intestinal Tract, effects of clamps on 689
Gatewood: Experimental observations on growth of long bones..... 215
Gauss, H.: Redundant colon..... 560
Ghormley, R. K.: Thirty-third report of progress in orthopedic surgery..... 478
Goiter, during pregnancy..... 734
exophthalmic, pathologic change as result of administration of iodine (Lugol's solution) 878
intrathoracic 895
Griswold, R. A.: Relationship of chronic subdural hematoma and pachymeningitis hemorrhagica interna; report of 8 cases, with report of finding bile pigment in hematoma..... 45

Hand, isolated giant cell xanthomatic tumors of 499
Hanford, J. M.: Roentgen-ray treatment of tuberculous cervical lymph glands; study of 145 patients treated by small doses of filtered roentgen ray, with follow-up results..... 377
Hart, D.: Cerebrospinal fluid; normal variations in rate of formation..... 943
Harvey, F.: Human factors in clinic management: study made in surgical and fracture clinics of outpatient department of Presbyterian Hospital... 443
Hematoma, chronic subdural, relation to pachymeningitis hemorrhagica interna; 8 cases, with bile pigment in hematoma 45
Hemorrhage, shock following..... 762
Henderson, E. F.: Fatal pulmonary embolism; statistical review..... 231
Higgins, C. C.: Intrathoracic goiter..... 895
Higgins, G. M.: Effect of pregnancy on emptying of gallbladder..... 552
Hughson, W.: Portal cirrhosis with ascites and its surgical treatment; 26 cases.. 318
Relation of pylorus to duration of experimental gastric ulcer..... 66

PAGE

Hydronephrosis, partial, nephrotomy in... 132
Hyperthyroidism, injection of absolute alcohol in treatment of..... 918
Hypoglycemia, postoperative 397

Ileus, acute, enterostomy in treatment of; statistical inquiry..... 288
Infection, general principles underlying treatment of..... 737
negative blood cultures in..... 740
portal of entry..... 744
postoperative 747, 748
Intestines, redundant colon..... 560
small, acute traumatic ulcers; observations on effects of clamps on gastro-intestinal tract 689
small, invagination ileus in polyposis of. 441
varying degrees of anemia produced by carcinoma in different parts of colon. 402
Iodine, administration in exophthalmic goiter; pathologic change as result of (Lugol's solution)..... 878

Jaffe, H. L.: Cysts of semilunar cartilages of knee..... 677
Jaw, ossifying fibroma of..... 30
Jelsma, F.: Relationship of chronic subdural hematoma and pachymeningitis hemorrhagica interna; report of 8 cases, with report of finding bile pigment in hematoma..... 45
Joelson, J. J.: Postoperative massive atelectasis: influence of posture..... 855
Joints: See Knee
Judd, E. S.: Review of urologic surgery. 129, 298, 799, 962
Varying degrees of anemia produced by carcinoma in different parts of colon.. 402

Keyser, L. D.: Review of urologic surgery.....129, 298, 799, 962
Kidney, abscess, perinephritic..... 154
aneurysm of renal artery..... 803
calculi 135
carbuncle of..... 810
congenital polycystic, extrarenal venous circulation in case of; unusual varicocele communicating between splenic and renal veins..... 580
cysts.....147, 812
experimental surgery of..... 129
fluoroscopy of..... 814
function tests..... 813
horse-shoe 133
horse-shoe, tumors in..... 134
infections 808
infection, pyelonephritis 148
neoplasm growing into lumen of renal veins 806
operations on, during pregnancy..... 734
pelvic 804
sarcoma, in fetus..... 807
suprarenal hemorrhage; case..... 627
surgical technic in..... 799
syphilis 811
transplantation 802
tuberculosis 137, 810
tumors 142
variations of renal arteries and veins... 804
Knee, cysts of semilunar cartilages..... 677
Kuntz, A.: Distribution of sympathetic rami to brachial plexus; its relation to sympathectomy affecting upper extremity 871
Kutzmann, A. A.: Review of urologic surgery.....129, 298, 799, 962

Lamp, cold, illuminating instruments in diagnosis and treatment of urologic conditions 962
Leukoplakia, urinary..... 827
Lewis, D.: Spontaneous gangrene of extremities 613

PAGE

Liver, bilaterality 589
disease, relation of nitrogen bodies of blood to surgical problems in..... 635
influence on toxicity of bile..... 57
portal cirrhosis with ascites; surgical treatment: 26 cases..... 418
Low, H. C.: Thirty-third report of progress in orthopedic surgery..... 478
Lugol's Solution: See Iodine
Lung, postoperative massive atelectasis; influence of posture on..... 855
postoperative pulmonary atelectasis..... 155
Lymph Glands, tuberculosis of: 145 patients treated by small doses of filtered roentgen ray, with follow-up results..... 377

MacCarty, W. C.: Varying degrees of anemia produced by carcinoma in different parts of colon..... 402
McIndoe, A. H.: Bilaterality of liver.... 589
McKenzie, K. G.: Paraplegia associated with congenital scoliosis; report of case 222
McNamee, E. P.: Postoperative pulmonary atelectasis 155
Mann, F. C.: Effect of pregnancy on emptying of gallbladder..... 552
Mason, M. L.: Isolated giant cell xanthomatic tumors of fingers and hand.... 499
Mastics, E. A.: Postoperative pulmonary atelectasis 155
Matthew, C. W.: Plasma proteins in cutaneous burns 265
Mediastinum, dermoid cyst of..... 660
Melanoma, subungual; Hutchinson's melanotic whitlow..... 667
Mercurochrome-220 soluble, effect of, on growth of bacillus pyocyaneus..... 958
Montgomery, A. H.: Ossifying fibromas of jaw..... 30
Morris, J. H.: Malignant tumors of testicle, with special reference to classification 530
Morrissey, J. H.: Chronic seminal vesiculitis and prostatitis; further report on results of operative treatment and its indications 102
Mullen, B. P.: Experimental observations on growth of long bones..... 215
Mussey, R. D.: Operations of necessity during pregnancy 729
Myomectomy during pregnancy..... 732

Nephrectomy, extraperitoneal abdominal approach 805
Nephritis, surgical treatment..... 132
Nephrolithiasis, diagnosis and treatment.. 136
Nervous System, distribution of sympathetic rami to brachial plexus; its relation to sympathectomy affecting upper extremity 871
Neuralgia, glossopharyngeal (tic douloureux); diagnosis and treatment.... 198
Nicholson, B. B.: Varicose veins: etiology and treatment; clinical and histologic study 351
Nitrogen relation of nitrogen bodies of blood to surgical problems in liver and in biliary tract disease; status of nitrogen bodies of blood in severe cases of biliary tract disease and its use in differentiating a terminal hepatic and a terminal renal group of cases..... 635

Obesity, relation to fatal postoperative pulmonary embolism 237
Orthopedic Surgery, thirty-third report of progress in 478

Pachymeningitis, hemorrhagic internal, relation to chronic subdural hematoma; 8 cases with bile pigment in hematoma.. 45
Pancreatitis, acute and chronic..... 1

PAGE

Paraplegia, associated with congenital scoliosis; case..... 222
Peet, M. M.: Pituitary adamantinomas; 3 cases 829
Penis, rupture of, following trauma..... 962
Pericardiotomy for pyopericardium: review of literature to May, 1927; 10 new cases 317
Phlebitis, postoperative, clinical study.... 245
Pituitary Body, adamantinomas of, 3 cases 829
Pneumocephalus of bacterial origin..... 913
Pregnancy, effect of, on emptying of gallbladder 552
operations of necessity during..... 729
Prostate, calculi 823
cancer; radium and roentgen-ray treatment 312
cancer; surgical treatment..... 313
hypertrophy 817
punch operation 300
sarcoma 301
Prostatectomy.....298, 821
Prostatitis, chronic seminal vesiculitis and; further report on results of operative treatment and its indications..... 102
suppurative 822
Proteins, plasma, in cutaneous burns..... 265
Purpura, vesical 828
Pyelography, in diagnosis of renal tumors. 807
Pyelonephritis, atrophic 809
Pylorus, relation of, to duration of experimental gastric ulcer..... 66

Roentgen-ray treatment of tuberculous cervical lymph glands: 145 patients treated by small doses, filtered, with follow-up results 377

Sager, W. W.: Exophthalmic goiter; pathologic change as result of administration of iodine (Lugol's solution).. 878
Saline infusion in shock..... 788
Scholl, A. J.: Review of urologic surgery 129, 298, 759, 962
Scott, W. J. M.: Postoperative massive atelectasis: influence of posture..... 855
Seminal vesiculitis, chronic, and prostatitis; results of operative treatment and its indications 102
Semsroth, K.: Suprarenal hemorrhage; case 627
Shipley, A. M.: Pericardiotomy for pyopericardium: review of literature to May, 1927, and report of 10 new cases 317
Shock, experimental, following hemorrhage; mechanism and treatment following... 762
Sinus, cavernous, carotid venous plexus as path of infection in thrombophlebitis of; relation to retropharyngeal and sphenoidal suppuration 275
Smith, B. C.: Status of enterostomy in treatment of acute ileus; statistical inquiry 288
Smith-Petersen, M. N.: Thirty-third report of progress in orthopedic surgery..... 478
Snell, A. M.: Relation of obesity to fatal postoperative pulmonary embolism.... 237
Spinal Cord, tumors..... 824
Spine, curvature, paraplegia associated with congenital scoliosis; case..... 222
hypertrophic arthritis of; in patients more than 50 years old..... 118
Spittler, F. A.: Postoperative pulmonary atelectasis 155
Starr, C. L.: Paraplegia associated with congenital scoliosis; report of case.... 222
Steinberg, M. E.: Changes in chemistry of contents of stomach following gastric operations 749

PAGE

Stomach, contents following gastric operations, changes in chemistry of..... 749
relation of pylorus to duration of experimental gastric ulcer..... 66
Strychnine, experimental use in shock.... 775
Suprarenals, tumors 808
Sympathectomy, distribution of sympathetic rami to brachial plexus; its relation to sympathectomy affecting upper extremity 871

Taylor, M. K.: Human factors in clinic management: study made in surgical and fracture clinics of outpatient department of Presbyterian Hospital..... 443
Testicle, tuberculosis 316
tumors 311
tumors, malignant; classification..... 530
undescended, replacing 962
Thornton, J.: Human factors in clinic management: study made in surgical and fracture clinics of outpatient department of Presbyterian Hospital..... 443
Thrombo-Angiitis: See Gangrene
Thrombophlebitis, of cavernous sinus; carotid venous plexus as path of infection in; relation to retropharyngeal and sphenoidal suppuration..... 275
Tuberculosis, of cervical lymph glands: 145 patients treated by small doses of filtered roentgen ray, with follow-up results 377
renal 810
Tumors: See also under names of tumors, as Adamantinoma; Cancer; Fibroma; Melanoma
isolated giant cell xanthomatic, of fingers and hand 499
malignant, of testicle; classification..... 530
ovarian, during pregnancy..... 733
pelvic, during pregnancy..... 731

Ureter, calculi 815
ectopic opening 816
operations, during pregnancy..... 734
transplantation in carcinoma of bladder. 303
tumors 815
Urethra, double 310
fibrosarcoma 962
polyps 311
prolapse 962
stricture, dilatation of..... 962
traumatic rupture 962
tuberculosis 309
Urinary Tract: See also Kidney; Ureter
Urinary Tract, biliary tract and, analogies between 962

PAGE

Urine, acidification of..... 962
Urology, review of urologic surgery.....
.....129, 298, 799, 962

Van Beuren, F. T.: Status of enterostomy in treatment of acute ileus; statistical inquiry 288
Van Dessel, A.: Thirty-third report of progress in orthopedic surgery..... 478
Varices, etiology and treatment; clinical and histologic study 351
Varicocele, unusual, communicating between splenic and renal veins; extrarenal venous circulation in case of congenital polycystic kidneys..... 580
Vasotomy 962
Verbrugge, J.: Review of urologic surgery 129, 298, 799, 962
Vidgoff, I. J.: Changes in chemistry of contents of stomach following gastric operations 749

Warthen, H. J., Jr.: Fate of foreign bodies in venous circulation..... 712
Watt, J. C.: Deposition of calcium salts in areas of calcification..... 89
Whitlow, Hutchinson's melanotic; subungual melanoma 667
Wilensky, A. O.: Relation of nitrogen bodies of blood to surgical problems in liver and in biliary tract disease; status of nitrogen bodies of blood in severe cases of biliary tract disease and its use in differentiating terminal hepatic and terminal renal group of cases 635
Treatment of infection; general principles underlying treatment from surgical standpoint and therapeutic indications to be drawn therefrom..... 737
Wilson, P. D.: Thirty-third report of progress in orthopedic surgery..... 478
Winslow, N.: Pericardiotomy for pyopericardium: review of literature to May, 1927, and report of 10 new cases.... 317
Womack, N. A.: Subungual melanoma; Hutchinson's melanotic whitlow..... 667
Woolston, W. H.: Isolated giant cell xanthomatic tumors of fingers and hand 499
Wright, I. S.: Effect of mercurochrome-220 soluble on growth of bacillus pyocyaneus 958

Zadek, I.: Cysts of semilunar cartilages of knee 677
Zimmermann, A. R.: Varying degrees of anemia produced by carcinoma in different parts of colon..... 402
